## Notes

By filling below, you authorize Carefree Pools Ltd. to perform any repairs needed to complete the opening with cost of repairs extra up to \$250

Swim Ready Openings are completed after 3rd crew visit. Maintenance must be preformed by homeowner after completion of opening. Home owner must leave pump running 24/7 until water is cleared.

Openings are completed as stated. We are not responsible for the state of pools after our initial shock treatment for complete, partial, and start-up openings.

An additional charge of \$90/ hr + HST will be applied to homeowners who wish an additional maintenance treatment.

**All Openings Must be Prepaid.**
